**Let us have some fun!**

Dear Parents,

Join us for a summer full of fun and friends. Each week school agers will have a field trip. We will also celebrate a different theme each week that will have your campers guessing what's next! Summer flyers, calendars, and field trip permission slips are available upon request. We will do our best to follow the calendar, but if anything changes, we will notify you in advance. We'd like to make this a fun and educational summer experience for all the kids, and we welcome any parent volunteer to participate in any of the activities or field trips.

### THIS MONTH'S LEARNING ACTIVITIES:

**This month we will be discussing all things, Summer. We will also be setting up multiple hands-on activities for the children to enjoy!**
