Dear Parents,

We welcome you back for a new academic school year!

Here at Little Minds Campuses, it is our mission to enrich children's lives through quality, age appropriate and academically enriched child development programs.

We encourage this through a monthly theme curriculum, play, and developmentally appropriate hands-on practices.

apple

This month is all about welcoming you to school, getting to know you and academic assessments.

A is for apple. We will be exploring with Apples all month long. We have lots of hands on activities planned for you!

### Friendly Reminders:

- All children must be signed in and out daily. This is a licensing regulation.
- Tuition is due every Friday for the following week of service.
- Late fee of \$40 will be charged if tuition is not received by Friday @6:30pm
- Children with colds, sore throats or temperatures should be kept at home.
- Please be sure all phone numbers are current, so we can reach you in the event of an emergency or if your child should be ill.
- A child learns best when he/she is feeling well. Children with colds, sore throats or temperatures should be kept at home where they can be cared for properly. If a child becomes ill while at school, he/she can rest in the office until someone can be reached for pick up.
- Please be sure your child has a blanket and a fitted sheet for the nap period. Please label all your children's belongings with a permanent marker.
