Dear Parents,

Summer IS HERE at our Little Minds Campuses, and we will be teaching all our children how to stay safe in the sun and stay hydrated.

Join us for a summer full of fun and friends. Each week we have a field trip for our school agers. We also celebrate a different theme each week that will have your campers guess what's next!

Summer flyers, calendars, and field trip permission slips are available upon request. We will do our best to follow the calendar, but if anything changes, we'll notify you in advance. We'd like to make this a fun and educational summer experience for all the children, and we welcome any parent volunteer to participate in any of the activities or field trips.

THIS MONTH'S ACTIVITIES

Water Play every Wednesday.

**Children will create summer themed arts
and crafts projects.**
